• You'll now have access to the **Broadcom Partner Portal** and the **Broadcom Learning Management System** 

# IMPORTANT THINGS TO DO WITH YOUR NEW PARTNER USER ACCOUNT:

#### 1. Activate your "Learning@Broadcom" Learning Management System account:

Visit the <u>Learning@Broadcom Learning Management System</u> and log in with your new Partner User credentials to activate your LMS account.

#### 2. Activate your Broadcom Deal Registration, MDF Account and request Vouchers:

Visit <u>Channel Mechanics</u> and log in with your new Partner User credentials to trigger activation of your account. For those eligible for MDF the team will activate your account.

#### 3. Create your CertMetrics Partner User account:

This important one-time process will allow Broadcom to issue your Partner certifications (Proven Professional, Certified Expert) once you've achieved them. *Instructions are on the following page:* 

# 2. Create a CertMetrics Partner Profile Account:

Broadcom has migrated our Partner certification processes to the CertMetrics platform.

To receive Broadcom Partner certifications (Proven Professional, Certified Expert, Knight), all Partner Users will need to create a Certmetrics User Profile. This is a one-time exercise.

# Instructions for One-Time CertMetrics Profile Setup:

1.	Go to the URL: <u>https://cp.certmetrics.com/vmware/</u> . (You will be automatically re-directed to: https://access.broadcom.com/default/ui/v1/signin/)	BROADCOM* Broadcom Inc. Customer Sign-In
2.	Enter your Partner User name (corporate email address) and click "Next".	Password
	One of two things will happen at this point:	Bemember me
	<ol> <li>If the next screen does not have the text "Need Help Signing In?" then please click the "Forgot Password" link and reset your password (you were already assigned a CM Account).</li> <li>If the next screen says "Need Help Signing In?" please continue with step 3 below</li> </ol>	Sign In Need helm symbols of Ennyet assemble Brokine Lick Brokine Joy, In Beek In Joy, In
3.	On the next screen, click the text "Need Help Signing In?". A short menu will unfold.	← Verify your Email Address Enter the verification code sent to
4.	Click the "Register Link" text. The Broadcom Support Portal will open.	corporate_email@yourdomain.com
5.	Enter your Partner User name (corporate email address) again, solve the challenge, and click "Next".	Interesting the code? Resend Having trouble? Click here for help.
6.	An email from "Customer Support" will arrive in your inbox with the Subject line "Broadcom Registration Notice – Verification Code".	Verify & Continue
7.	Enter the verification code from the email into the "Verify your Email Address" screen and click "Verify & Continue".	Complete your Registration First Name Entr Prot Name Last Name
8.	Fill in all the mandatory fields on the "Complete Your Registration" form, accept the Terms of Use, and click "Create Account".	* Last Name Enter Lust Name * Country Selet Country \$ Job Tife
9.	The "Registered Successfully!" screen will appear next. You can click "I'll do it later" here.	Select Job Title
10.	You will receive another email from Customer Support with the subject line "Broadcom Inc – Welcome to Broadcom Single Signon (SSO)!". To complete your account activation, click the "Activate SSO Account" button in that email.	Cordim Passend     Re-enter Passend     Isocept the Temsor Use (2; Your privacy is     important to us, Please see our Privacy Policy     () for more information.

- 11. Complete any required fields for your profile and click "Submit".
- 12. Return to <a href="https://cp.certmetrics.com/vmware/">https://cp.certmetrics.com/vmware/</a> and enter your username and password to log in.

# 3. Distributors ONLY: Upgrade your Account with CPQ Access

NOTE: You must have previously registered for and obtained a Broadcom Partner User account before requesting CPQ access.

#### Step 1: Navigate to My Dashboard to request CPQ access:

- From the My Dashboard landing page click your Profile Name and select Quoting Access
- If you have logged out of your account, navigate to <u>https://broadcom.com</u> and login to your account again and click your **Profile Name** and select **Quoting Access**
